Chandler

Thanks for sending the standby agreement. I have never seen it; Noah Bronstein does not have authority to sign anything on behalf of Porta Pellex; and most importantly, Noah did not sign it.

I believe someone signed it that was not Noah and did so without Noah's knowledge or consent.

I sent an email to Gary with you cc'd. Let me know if you didnt receive it - ill re send.

Thanks.

Kristofer

Also, please provide the contact information for Gary Danklefsen. I would like to reach out and discuss his investment in Hoplite as well.
